The future of the school ...

Underclassmen Hold The Key

When the Class of 1997 graduates, the climate and reputation of Walpole High rests on the underclassmen. Will they keep tradition alive as we head in to the next century? The Class of 1997 hopes so. School Spirit, Pep Rally's, Homecoming, Division Winning Teams, Field Hockey State Champs, High Scores on SAT's and AP Tests, Cape Cod after the Prom, and Senior Pranks are only a few of the traditions that we hope are never forgotten. Here's to you Classes of 1998, 1999, and 2000! It's up to you now. Go Rebels!

"The underclassmen at Walpole High are an extremely talented group. I know they'll take the school into the next century in a way we can all be proud."

Rebel Football,

"A Great Team!"

Billed a rebuilding year from the start, the 1996 Rebels were not supposed to go back to the Super Bowl. The loss of too many key players was declared an unsurmountable challenge. The problem was nobody told this year's seniors. Leadership was the word of the year and unity would become this team's strength. Fighting through a multitude of injuries, the Rebels relied on the depth of their team to pull out many a hard earned victory. Things did not start out as planned as a loss to Needham on opening day made some onlookers wonder if the preseason predictions would ring true.

But the Rebels rallied and pulled off ten wins in a row, the ninth gaining them the league title over Natick and the tenth, a dramatic come from behind win over Weymouth. The Rebels had done the unthinkable. They put themselves in the Super Bowl for the second year in a row. Although they fell just short, they showed everyone how determined they were, coming from behind twice against a strong Tewksbury team before falling to a 20-19 defeat in the Super Bowl.

Mike Rosenthal, Chris Cunnane, Brian Mallette, and Phil Trainor served as the leaders for this team. Early season injuries to all four brought out the leadership of other seniors like Brian Boyd and Tim Larkin. The special teams were anchored by Tim McDonough, Jon Munro, and Andy DeMambro. In describing this year's team Coach Grant said, "We were not a great football team. We were a great team, and sometimes great teams can do anything they want if they work hard enough."

Led by co-captains Karin Swenson and Maria Brown, the girls came off a good season with a big victory at Framingham. Wrestling

The Rebel Wrestling Team capped off a great season with a lock on second place in the B.S.L. and a share of the Herget crown. They finished 10-3 (8-2 BSC) and were undefeated at home.

The Rebel lineup was solid throughout with first time wrestlers Pat Schofield and James Spencer earning points at the 103 lb. weight class. At the 112 class Jen Fitzgerald won several key matches including a decisive pin in the close match against perennial foe Norwood. At 125 pounds. Fourth year starter Gerry Sinatra remained undefeated for the better part of the season and placed fifth in the sectional tournament. Justin Lutz finished an impressive second in the tournament and went 14-6 overall. Tri-captain Matt Conley also finished second at the 135 lb. class. Tri-captain Mike Howe wrestled in both the 160 and 171 lb. classes for the good of the team. Mike took his skills to finish sixth in the state tournament. His pin against Wellesley sparked a comeback for the Rebels. At 215 senior tri-captain Phil Trainor wrestled a strong season placing sixth in the tournament.

The season was an exciting one, where the champion of the league was not decided until the final few days of competition. Walpole battled for the league with Natick, Norwood and Framingham. During the season several matches were won through great team efforts. The matches against Braintree, Norwood, Wellesley, and Framingham all came down to the final few weight classes. The Rebels prevailed against all, except Framingham who went on to win the league.

Same old story, or was it? Despite a 4-16 record, first year Rebels Head Coach Tim Collins completely turned around the program. "Compete" was the operative word this year and the Rebel Hoopsters did just that posing a threat to any and all of their league opponents.

The Rebels had a rough start losing four early games by an average margin of less than three points but did a total 180 with a huge win over Natick and league MVP Bruce Seals, holding him to only four points in the first half. The Rebs won with two seconds left on a great assist from Jason Johanessen (power forward) to Mike Hurley (center) underneath. Both were later named league all-stars. Even after a few more frustrating losses the Rebs upset Globe Top Twenty Bishop Feehan. From there, they went on to finish strong and along the way avenging losses to conference rivals Norwood and Wellesley with strong play from senior captains Kevin McCarthy (guard) and Brent Grolnic (guard) and juniors Marcus Soto (guard) and Ryan Beltramini (small forward).

Will Be Missed

The 1997 girls gymnastics team finished the season with a 4-7 record. Every girl was able to compete several times on bars, beam, vault, or floor. The team was lead by the experienced senior captains Devoni Quinlan, Christine Lanzoni, and Stacey Coleman. Other Seniors that competed their last season were Laura Donlan, Kari Tryggestad, Jennie Plotkin, and Jenine Vetrino. Although many coaches would be worried at the loss of so many seniors, coach Lisa Grant doesn't need to be because of so many talented underclassmen. Freshmen Meghan Lutz, Stephanie Gleeson, Lauren Hazlett, Kim Baker and Liz Reid joined sophomores Lindsey MacAleese, Lindsey Metrino, and Junior Katie Lennon.

The team finished the season at the Bay State Conference meet with a season high score of 113. Stacey Coleman placed second on bars and in the all around. She also was named a baystate all star on balance beam and the Senior Gymnast of the Year. With all her credentials, she qualified to compete in the state individual meet on balance beam and bars. At the conference meet, many other members of the team also performed well and earned personal bests.

Each year, as the team gains more experience, the scores improve. With a large group of talented underclassmen, the team has a lot of depth and looks forward to a successful 1998 season.

Boys' Winter Track

The boys track team had a challenging but fulfilling winter season. Lead by new coach Abate, who brought his football running experience to the team, Boys Track defeated Wellesley in a come from behind victory in the last meet of the season. Leading the way was senior Tom Valle, who in the wake of a car wreck, came back to lead the team in points to a victory. Senior Bill Mitchell took his abilities to a semi-final, finishing the Class C meet. Senior Phil Rizk took a respectable eighth place at the state finals. Rizk, regarded as the best shot putter in the conference, tore up the Class C meet with a throw of 49'8". Other seniors Gavin Viano, Jon Monroe, Bill Mitchell, Kevin Wolf contributed their impressive speed and abilities, and added to the team spirit.

Though their record may not look impressive on paper, the Boys Track Team's and sportsmanship far outweighed any disappointing outcomes; by the end of the season they had all pulled together to form a strong, enviable team.

Boys' Hockey Goes to Semi-Finals

Varsity Hockey

This year the Varsity Hockey Team went 17-5-1 overall and made it to the South Sectional Semi-Final game in the state tournament. The years success was due to the hardwork, determination, and the intensity the team possessed.

The Rebels, led by captain Mike Poitras, had a slow start to the season with a record of 3-3, but then the Rebels went on a 13 game winning streak. The team was supplied with outstanding goaltending from freshman Joe Lamoureux, and solid defense from John Hourihan and Dave Monahan. The Rebels depended on the scoring punch of the first two lines that consisted of Mike Poitras, P. J. Murphy, Tony Gugliotta, Tim Yakimowsky, Nick Monahan, and Matt Attaya. But coming down to the end of the season, the Rebels had to reach down into the bench and the Bay State conference was surprised with the depth of the Rebels. The surprise play was delivered by senior Nick Constantino, on defense Mark Cullen, Ryan Lia, Matt Glynn and Sonny Powers, by forwards Matt Cimeno, Greg Smith, Andy Deforest, Walter Corcoran, Alan Donaruma, and Goalie Larry Potts.

Seniors on the team included Center Tim Yakimowski, Center Matt Attaya, Right Wing Nick Constantino, Defenseman John Hourihan and Center Mike Poitras, P. J. Murphy and David Monahan were named as Herget Division All-stars along with Poitras, Yakimowsky and Hourihan. The team was led once again by Coaches Kirrane, Nickson and Delaney.

HOMECOMING

The rainy Saturday afternoon on November 9, 1996 when the Rebel Football team took on Milton, did not make for the best Homecoming celebration. The crowd was scarce as a huge storm was forecasted. But the show did go on and during halftime, the tradition was kept alive when Karin Swenson was named Homecoming Queen and John Munro was named King. Making up the court were first runners up Lynsey Attaya & Mike Black, second runners up Jill D'Arcy & Kevin McCarthy, and third runners up Lori Collins & Mike Rosenthal.

Winter Concert Draws Large Crowd

The annual Walpole High Music Department's concert was held on December 19, 1996 to a nearly full house. Under the direction of Ms. Lynda Maccini Select Chorus, the Concert Choir and Chanson performed superbly. The Chorus sang an excellent rendition of *Elijah Rock* while the Chanson impressed the crowd with their version of *Two South African Freedom Songs.*

Among other selections, the Band did a wonderful performance of an extremely difficult piece, *Elsa's Procession to the Cathedral* from Wagner's opera *Lohengrin.* The Orchestra delighted the audience with fun and interesting music as well. They performed both the march and finale from Tschaikowsky's *Symphony no. 2.* It was evident that Music Director Mike Falker worked very hard with these groups to prepare for the concert.

Kari-Elise Tryggestad and Kathy Vega play some Christmas Classics.

The 6th period Chanson sings *You Are The New Day.*

The low brass and percussion section perform well during the concert.

The Cast and Crew: *Top Row* (L-R): Burak Bekiroglu, Lauren Wellock, John Walsh, Liz Mantone and Evan Beland. *Middle Row:* Ralph Andre, Adam Low, Kristen MacDonald, Amanda Sheehan, Melissa Cournoyer and Gabrielle Niel. *Front Row:* Brian Hann, Andrew Maiewski, Melissa Copeland, Elise Reynard, Jennie Plotkin and Elena Vitelli.

Blackout Sketches theme of Drama Club's Fall Production

On November 17 and 18 the Drama Club performed a series of 23 black-out sketches to a curious audience. Black-out sketches are short skits which end with the lights going out as soon as the punch line is delivered.

The plays dealt with life problems such as husband vs. wife, husband cheating on wife, wife wanting to see husband that is dead. They also dealt with parents too. In *When Mothers Meet*, the parents, played by Amanda Sheehan and Melissa Copeland, fought over whose daughter started a fight.

There were also some disillusional skits. This is when a play takes place in the dark and the dialogue leads one to believe things are happening a certain way. When the lights come on, the audience realizes they have been fooled.

The black-out sketches were a new and interesting experience for the Walpole Players and the audience seemed to enjoy the change of pace.

Melissa Copeland and Evan Beland put on a good act in "Making Hey Hey."

They Reached For The Title

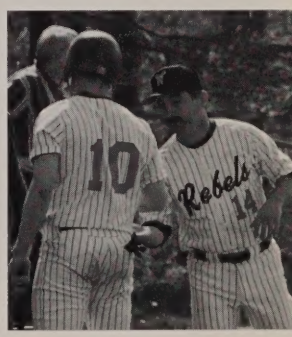
Seniors Played Important Role in Successful Baseball Season

For the seventh straight year in a row, Boys' Varsity baseball took its team to the State Tournament. The team finished 16-7 overall and 14-6 in the regular season.

The season started strong as the the Rebels rode a 5 game winning streak with the added pleasure of a 13-4 victory over Norwood. The team was seeded 9th in the Division I South Tournament.

Tournament action was hot as the men beat Xaverian 5-2 in the preliminary round and went on to beat Dennis-Yarmouth in a thrilling 11 inning, 8-7 victory in the first round. Unfortunatley, the playoffs were cut short when the team lost to arch-rival Norwood.

Coach Bill Tompkins was very proud of the team especially the seniors who he says were "extra leaders who helped to continue the excellent tradition of Walpole High Baseball.



Coach Tompkins is always ready with advice.

"They believed they could win"

Coach Bob Murphy

The Girls' Softball Team ended its season this year with a record of 21-2. The team was strong and showed that strength consistently throughout the Spring by beating nemesis Norwood twice. The team enjoyed a 17 game winning streak until they came up against Holliston late in May. Some of the other highlights of the season were the players, according to Coach Bob Murphy. Emily Hunt made two game winning hits against both Ashland and Natick. Ashland's being a home run. "The seniors really carried the team," said Murphy. "Despite the changes in the coaching staff, the girls' stepped up and led by example. They were a close knit group."

"Some people think a winning team has everything to do with the coach, it doesn't. It's the players. They carry the team to victory."

Ending with a season record of 4-12, the 2 year old Boys' Varsity Lacrosse Team improved their last year's record of 1-16. Improvement was obvious as the team increased the number of goals they scored overall and the decreased the number of goals scored on them. LACROSSE Girls' Varsity

Second year team getting better with age

The high point for the Girls' Lacrosse Team came late in the season this year when they beat rival Norwood 12-4. Before that, the team hadn't won a game but came very close. In their last game against Milton, they lost 8-7, but only lost in the last two minutes of the game.

One thing contributing to the low number of wins is this team's age. They are only two years old as a varsity sport at Walpole High.

Next year, with a good amount of underclassmen returning, the team hopes to get even better. "We really clicked at the end of the season. I know we'll do better next year." says team member Sue Black. The JV team won 2 or 3 of their games, says Black. "And those girls' will hopefully be moving up to our team." The feeling on the new coach? "We had a lot of fun, but he worked us hard. We did a lot of running."

Jessica Shea gets the ball out of the Rebel zone.

We don't rebuild, we reload

Under the direction of new Coach Steve Waisgerber, the Boys' Tennis Team had an excellent season finishing 14-4. The team won the Herget Division Title and made it to the quarter finals in the playoffs. Highlights of the season included winning 5-0 over Newton North and the match between Kevin McCarthy and Matt Langmead against Brookline. The doubles team ended up losing in the 3rd set, tie break. The match, however, was very exciting. Another highlight for the team was the doubles team of Paul Brigham and Bill Perkins who ended their season 10-2. Two players were named as Bay State league All-Stars; Captain Bill Greener and Freshmen phenom Jason Peckham. Although they are losing 4 strong senior players, the boys tennis team has proven that they will still be a team to be reckoned with.

Experience Plays Role in Successful Tennis Season

The Girls' Varsity Tennis team ended their season with a record of 13-5. This strong team surprised the critics as they were seeded 19th for the Bay State League Conference Tournament but ended up beating 14th seed North Quincy 3-2 and 3rd seed Notre Dame/ Hingham 3-2. They lost to Needham in the south sectiuonal quarterfinals 2-3 on the deciding point of the third set of first doubles.

With four seniors leaving, the team will rebuild next year with returning underclassmen varsity players Kristen McCone, Sarah Thorley and Carolyn Greener.

The WHS Spring Track Team struggled as a team recording a 1-6 record. This was not due to a lack of effort or a lack of individual talent. The distance crew had a very strong showing led by Tim Morris- 2nd in BSL Conference Meet in the mile and Ellen Dwyer wo finished 2nd in the Girls' Mass. State Meet 2 mile with a personal time of 11:01. Numerous other outstanding efforts demand recognition like Billy Mitchell's upset and convincing win of the BayState Conference 100m., Molly Metcalf's win of the Bay State Conference javelin and Amanda Logan's win of teh Mass. State Triple Jump propelling her on to compete in the Nationals at NC State.
The future of WHS Track looks extremely bright with a host of Freshmen competing at big-time levels. Logan , Kaitlyn Shea-Kenney and John Shea all qualified for the EMASS State Meet.

Lauren Gannon heads for the finish.

Volleyball
ends in turmoil

The Varsity Girls' Volleyball Team struggled through a difficult season this year with trouble not only on the court, but off the court as well. On the court the girls held their own finishing the season with a record of 7-13. Not the best record in the history of Volleyball, but respectable just the same. A highlight of the season was the second game of the season when the team beat Norwood on Norwood soil 2-1. Mid season the girls had a brief winning streak with 3 wins in a row against Brookline, Milton and Dedham. The end of the season was the breaking point for the team however, when some members of the team lost faith in the coach and staged a walk out. The girls came back but it was too late and the team plummetted into a 6 game losing streak to end the season.

National Honor Society Induction Ceremony Very Special Night

This year's National Honor Society's Induction Ceremony was held on June 3, 1997 at 7:30pm in the W.H.S. Auditorium. The ceremony started off with the traditional procession of the senior society members entering the auditorium.

"The ceremony itself was lovely. Many parents commented on how much they enjoyed it", said NHS Advisor Tom Joy. Walpole High's ceremony is different because the seniors are able to invite a teacher or person who has influenced them the most in their career to the night. During the ceremony, that teacher gives them the National Honor Society award and "pins" them.

After the speeches on Leadership, Service, Character and Scholarship, the ceremony is turned over to the juniors as they call each junior up, give them a candle and the junior NHS member takes the seat of a senior. The senior then joins the audience.

Maryanne Staley hugs Mr. McNutt as Marie Foley looks on.

Latin Club Members Enjoy Roman Banquet

The annual Roman Banquet took place on May 13, 1997. Latin students from the classes of Mrs. Calf and Ms. Culliton dressed as ancient Romans and recreated Roman sports and entertainment. Unfortunately, the Sun God Apollo chose to take a vacation that day, but the rainy weather did not dampen the spirits of the 90 Latin students who participated.

The festivities began with entertaiment. The Latin I slaves bound in a paper chain performed skits and then were selected by the Latin II nobles and Latin II and IV gods to serve them for the evening. Due to the rain, the Olympics were held inside but the highlight of the evening was the chariot race, held on the track despite the rain. Winning the chariot race was the chariot of Walter Corcoran, Scott Fuller and Gavin Viano.

Spring Music Concert...

Under the direction of Mr. Mike Falker and Ms. Lynda Maccini, the W.H.S. Music Department put on a top rate Spring Concert.

This year the concert featured an exchange performance by orchestra students from Mansfield High School playing with Walpole high students.

Music selections included Johannes Brahms "Within My Heart Breathes Music" and "Variations on a Theme of Haydn." Other works performed were were Mozart and Hovhaness.

Pops Night

The time honored tradition of the Music Department's Pops Night celebration took place in mid May.

The auditorium was filled to teh brim with audience members who were treated to an array of upbeat fun music to which they could tap their foot or clap.

Once again, the Music Department thrilled us with their talent.

Anything Goes!

February 8,9 1997, 7:30pm

The Walpole Players set sail in February when they delighted and impressed audiences this year with their Spring Musical, "Anything Goes!"

Mike Black and Melissa Copeland were cast as the leads Hope Harcourt and Billy Crocker whose love is tested through a series of mishaps and misunderstandings.

Once again, the cast and crew did an excellent job in entertaining their audience.

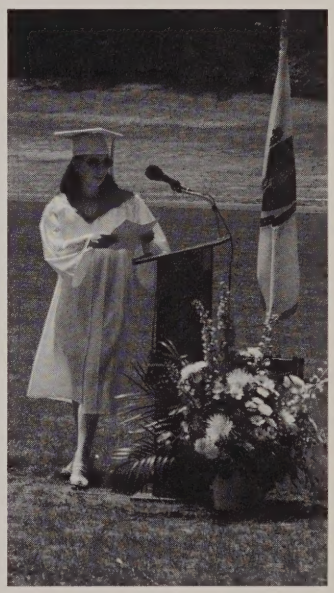
Graduation

June 8, 1997

Blessed by a clear and sunny day, the teachers and administration of Walpole High once again graduated a fine group of young men and women, the Class of 1997. The ceremony was brief, about an hour and 15 minutes total, but when it was over the graduates had a reason to be proud. 12 years of hard work (the last four at W.H.S.) had finally paid off! Good Luck Everyone!



Valedictorian Kari-Elise Tryggsestad gives her commencement speech.

Courtney Saulnier celebrates her big day with a hug.
